Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Vdare Foundation, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Steve Sailer gives us the real Barack Obama, who turns out to be very, very different - and much more interesting - than the bland healer/uniter image stitched together out of whole cloth this past six years by Obama s packager, David Axelrod. Making heavy use of Obama s own writings, which he admires for their literary artistry, Sailer gives the deepest insights I have yet seen into Obama s lifelong obsession with race and inheritance, and rounds off his brilliant character portrait with speculations on how Obama s personality might play out in the Presidency. - John Derbyshire Author, Prime Obsession: Bernhard Riemann and the Greatest Unsolved Problem in Mathematics.
