

An Odd Kind of Fame: Stories of Phineas Gage

By Malcolm MacMillan

MIT Press Ltd, United States, 2002. Paperback. Book Condition: New. Revised ed.. 224 x 152 mm. Language: English . Brand New Book. In 1848 a railway construction worker named Phineas Gage suffered an accident that made him a major curiosity of medicine and a significant figure in psychology and neuroscience: an explosion caused a tamping iron to be blown completely through his head, destroying the left frontal lobe of his brain. Gage survived the accident and remained in reasonable physical health for another eleven years. But his behavior changed markedly after the injury, and his case is considered to be the first to reveal the relation between the brain and complex personality characteristics. Yet almost nothing is known about him, and most of what is written is seriously in error. In this book Malcolm Macmillan, a leading authority on Gage, covers all aspects of this fascinating story. He describes Gage's family and personal background, the context of his work and the accident, and Gage's subsequent history. He analyzes contemporary medical and newspaper reports of the accident and its consequences, and evaluates the treatment Gage received from Dr. John Martyn Harlow. He also looks at Harlow's own life...
