CELESTIAL S CRAFT: ABSTRACT POEMS FROM BLUE-SKY DISCOVERIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Celestial s Craft is a book of abstract poems focused around the beautiful paradox of sex, love, fantasy, spirituality, and overall self. Allure s streams of consciousness document a multitude of Allure s ambiguous and often erotic thoughts along with his otherworldly rhapsody as it flows naturally. Celestial s Craft is light-years from your ordinary book of poems. Allure s mystical hysteria holds a universal message to neither ignore or cover up dark feelings we have about ourselves. Instead, learn to acknowledge those feelings, accept those feelings without judgment, and release those feelings into the ether. Retreats to a lonely padded space hold pleasing, as opposed to hot flashes and cold sweats at the harsh overtones of insecurity. Celestial s Craft is a unique and vulnerable example of self-acceptance -- mentally, physically, emotionally, spiritually, and sexually.
