Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest pdf for ever.

CLOSER TO KNOWING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In human existence everything is light or dark. Black or white. Life is built on the finite themes, beginning and ending, with infinite possibilities leading from one to the other. In this existence, everything ends in death. What is on the other side? On a routine babysitting gig, Sophia Greyson's run of the mill life was turned upside down. A near death experience brings her supernatural powers she doesn't understand and can't control. Dark forces beyond her control begin disassembling her perfect world, one block at a time. Finding herself defenseless and alone, she turns to Dr. Desmond Casey for help. Desperate to protect her from the demon that is hunting her, Desmond introduces her to an existence beyond the traditionally held finite themes of this world. Ultimately, Sophia is faced with the choice to lend her power to the forces of good or the darkness.
