Baru-Kesh is first and foremost a market city and cultural center for the surrounding lands. A festival is celebrated in the early summer when the cattle merchants come to town. The docks are full of cargo ships coming from the distant lands to take advantage of the year s sales. The stockyards and abattoirs brace themselves for the busiest time of the year while the city s population swells with visitors. Merchants arrive to sell their wares and make needed purchases. Revelers come to take part in the glorious festivities. Delvers come to earn some gold and make names for themselves. A Day in Baru-Kesh is a solo adventure designed for low level Rogues or Warriors with 30 or less total combat adds. To play, you will need some 6 sided dice, pencil and paper to write down some game notes, and a basic knowledge of the Tunnels Trolls game rules. Includes 200 paragraph solo adventure and a 37 page GM adventure. Darkshade Chronicles features solo and gm adventures to support Tunnels Trolls. While designed specifically for 7th Edition or later, material can be adapted to any TT rules edition.
