AUTHORHOUSE, United States, 2012. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Little Green Tree is a modern parable, that is, an allegory designed to illustrate and teach truths, spiritual principles, or moral lessons. The vibrant narrative style, characterized by the fun-to-read rhymes, will help children and their parents to understand the enchanting tale. Succeeding on multiple levels, it is a story about nature and nurture. It is about compassionate parenting. Note that the little green tree is reared in an emotionally safe and caring environment; thus, the community is a major character. Because there is not a page that fails to grip the reader and...
