Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.While working on this Theory for the past 25 years; which is the design of the universe including both matter and energy oscillation, I came to realize the dichotomy of the regular person and the autistic theorist both residing within my mind, flexing back and forth between the two. While one can hold down jobs, cook food, do laundry etc. the other immerses itself in deep thought playing with ideas in a spatial field of interacting ideas. Whereas the regular part of the mind requires sensory stimuli, the other s stimuli of choice are thought experiments. But there was also a realization it was a family trait from the paternal side. My late grandfather, Reginald, having fought in WWI later worked for her Majesty s intelligence during WWII. Possibly exposed to nerve gas both offspring had problems. The late daughter was an epileptic and my father, Graham, an autistic in childhood, brought out of that state by a Dr. in 1930 s UK forcing him to make eye contact. He went on to a long career as a...
