Make Art With Your Hands and Feet!: Draw Around Your Hands and Feet to Make Pictures

By Jacky Bahbout, Momoko Kudo

Thames & Hudson Ltd. Paperback. Book Condition: new. BRAND NEW, Make Art With Your Hands and Feet!: Draw Around Your Hands and Feet to Make Pictures, Jacky Bahbout, Momoko Kudo, Make art with your hands and feet! is an art pad with a difference. The reader is encouraged to draw around his or her fingers, thumbs, hands, toes or feet to complete the 32 pictures. Hand- and finger-prints can be made with paint, too. Once the images are complete the pages can be personalized with the child's name and/or messages for family and friends, and torn out to be given as gifts, or simply stuck on the wall. Some pages have a space for the reader's age to be inserted, giving them a unique and personal record. The reader is called on to complete the many images, from reindeer with hand- print antlers to foot- print ghosts, and from jelly-fish thumbs to finger space rockets. There are whole families of toes too. Each picture has an icon to show the child what to do, whether to draw around or print with their hands, fingers, thumbs, toes or feet.

Reviews

This pdf is very gripping and fascinating. We have read and that I am certain that I am going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
