Random House USA Inc, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. A teenage assassin kills with a single kiss until she is ordered to kill the one boy she loves. This commercial YA fantasy is romantic and addictive--like a poison kiss--and will thrill fans of Sarah J. Maas and Victoria Aveyard. Marinda has kissed dozens of boys. They all die afterward. It s a miserable life, but being a visha kanya--a poison maiden--is what she was created to do. Marinda serves the Raja by dispatching his enemies with only her lips as a weapon. Until now, the men she was ordered to kiss have been strangers, enemies of the kingdom. Then she receives orders to kiss Deven, a boy she knows too well to be convinced he needs to die. She begins to question who she s really working for. And that is a thread that, once pulled, will unravel more than she can afford to lose. This rich, surprising, and accessible debut is based in Indian folklore and delivers a story that will keep readers on the edge of their seats.
