

Pull My Daisy : Narration by Jack Kerouac for the film by Robert Frank and Albert Leslie

By Robert Frank

Steidl Gerhard Verlag Mrz 2008, 2008. Buch. Condition: Neu. Neuware - Pull My Daisy is a 1959 short film that typifies the Beat Generation. Directed by Robert Frank and Alfred Leslie, Daisy was adapted by Jack Kerouac from the third act of a stage play he never finished entitled Beat Generation. Kerouac also provided improvised narration. It starred Allen Ginsberg, Gregory Corso, Larry Rivers, Peter Orlovsky, David Amram, Richard Bellamy, Alice Neel, Sally Gross and Pablo, Frank's then-infant son. Based on an incident in the life of Neal Cassady and his wife Carolyn, Daisy tells the story of a railway brakeman whose painter wife invites a respectable bishop over for dinner. However, the brakeman's bohemian friends crash the party, with comic results. Pull My Daisy was praised for years as an improvisational masterpiece, until Leslie revealed in 1968 that the film was actually carefully planned, rehearsed, and directed by him and Frank. 64 pp. Englisch.

Reviews

A brand new eBook with a brand new point of view. It is rally fascinating throggh reading through time period. You will like the way the article writer compose this ebook.

-- **Ciara Senger**

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
