THE FOUR-EYED BOY

Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 218 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.Much like other smokers, Jane Galitello s story has an innocent beginning. Trying her first cigarette in high school, she had no idea what world of horrors the tiny paper tube would unleash upon her life. She managed to live and tell the tale - even after three near-death experiences. Coming from Jane s firsthand knowledge, she describes the risks involved with smoking through her personal experiences, gripping stories, and research. She provides instrumental resources for recovery from nicotine addiction through meditation and healing activities. With her encouragement, you can cease smoking and look toward the bright, purpose-driven future the Lord has planned for you. Jane Galitello lives in Torrington, Connecticut. Since quitting smoking after using tobacco almost her whole life, she has counseled others to quit, including her husband. She also works with the homeless community and troubled youth that have addiction or smoking problems - and has led them to great personal success and healthier lifestyles.
