Practical Observations Upon the Education of the People, Addressed to the Working Classes and Their Employers (Classic Reprint) (Paperback)

By H Brougham

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Practical Observations Upon the Education of the People, Addressed to the Working Classes and Their Employers Fourthly, The preparation of elementary works is not the only, nor, at first, is it the most valuable service that can be rendered towards economizing the time of the labouring classes. The institution of Lectures is, of all the helps that can be given, the most valuable, where circumstances permit that is, in towns of a certain size. Much may thus be taught, even without any other instruction; but, combined with reading, and subservient to it, the effects of public lectures are great indeed, especially in the present deficiency of proper elementary works. The students are enabled to read with advantage; things are explained to them which no books sufficiently illustrate; access is afforded to teachers, who can remove the difficulties which occur perpetually in the reading of uneducated persons; a word may often suffice to get rid of some obstacle which would have impeded the unassisted student's progress for days and then, whatever requires the performance of experiments to become...

Reviews

I just started off reading this article publication. It is definitely simplistic but surprises in the 50 percent of your ebook. You are going to like how the author create this publication.
