Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
(Dr. Deonte Hammes DDS)

TEENS AND SEX (PAPERBACK)

P R Publishing Co (Presbyterian Reformed), United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Distorted images of sex bombard our children from every angle. Where can they find a healthy view of their sexuality? How can parents and youth leaders teach kids the life-transforming truths that expose the counterfeits for what they are? Paul David Tripp unearths the premises that underlie popular views of sex and notes several characteristics that make teenagers especially vulnerable to sexual temptation. In addition to showing how sex relates to our worship, our identity, our hearts, and our need for grace, Tripp offers a threefold plan for helping teens deal with sex realistically and in the hope of the gospel.
