The Third Roosevelt (The Atheist President Series)

By Mandy France

BookBaby. Paperback. Condition: New. 336 pages. America has fallen in love with presidential candidate Jack Roosevelt, distant cousin to Teddy and FDR. Easily winning the hearts of voters, this former chief of staff is well on his way to the Oval Office when he is forced to reveal that he's an atheist. With the American people now disgusted by Jack and his lack of belief, his battle for the White House seems near impossible as his funding disappears and protestors accompany every stump speech. Weathering the storm with him is his campaign manager, Erica Taylor, an intelligent political media strategist from California. Determined to help Jack, she is still haunted by her parents' murder ten years earlier in Egypt. A delicate romance begins to blossom when a terrorist attack halts their love affair and Jack's bid for president. As the campaign falls into chaos, Erica uncovers a secret from Jack's past: that he's partially responsible for her parents' deaths. With lives hanging in the balance halfway around the world, Jack not only risks losing the approaching election, but he risks losing Erica to a mistake he made a decade prior. Through political disgrace and lost love, Jack is unsure if...

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Absolutely one of the best books I have ever studied. It is actually written in simple terms rather than confusing. I realized this pdf from my dad and I suggested this pdf to understand.
