

Cascadia Beyond the Bioregion. the Noocracy (Paperback)

By Adam Brisbane

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Cascadia beyond the bioregion. The Noocracy. This is a about a revolution. A revolution of the mind and the human race. It is about listening as a planet. It is about saving the Earth from ourselves and leading by example with a new nation. In a World filled with nationalism and fractured leadership it is a call from the wild.

Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
