Barron's Educational Series, United States, 2016. Paperback. Book Condition: New. 279 x 229 mm. Language: English . Brand New Book. It's not just adults who feel stressed out from the pressures of each day--kids need a break too! They're so busy running from school to extracurricular activities that they can easily get overscheduled and overwhelmed. That's what's so great about Cool Calm Coloring for Kids. Inspired by kindergarten teachers' use of art therapy for quiet time in class, this brilliant new series helps children relax, focus, express themselves, and create something beautiful. With Creative Calm Coloring, young colorists will enjoy a large variety of pictures, including plants, flowers, and masks. Also includes connect-the-dots and color-by-numbers. Gorgeous illustrations with colored backgrounds guide the children through each wonderful design. Thick paper keeps their best efforts from bleeding through and ruining the other side, while detachable pages let them pull out their favorites and hang them up for all to see. It's perfect for a quiet afterschool activity, to keep them busy before dinner, or anytime they need to unwind.
