Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever wondered why on several occasions, South African companies declare that they are struggling to get the right candidates? Haven t you also wondered why one person struggles to get just one job yet another person with the same set of skills and educational background switches jobs the way they like? Every year at the beginning of the year, after seeing others enjoying their bonuses during December holidays, many people start the year highly determined to get the right jobs only to return home the same at the end of the year. Some educated and skilled people end up crowding the unskilled people on small jobs for which they are over-qualified because they cannot get the right jobs when their colleagues are getting them and even changing from one job to the other. What is their secret? This book is full of strategies and secrets to get the right job fast in South Africa whether you are South African or you are non-South African. However, the non-South African candidate should know that the South African job market has some unique characteristics coming from the historical background and cultural diversity of the rainbow nation. Even when the cake has become smaller, the carefully prepared step-by-step guide in this book will help you have your share of the cake. Why should YOU be the one not to eat when the cake is smaller? And who said the cake is smaller anyway? Get up and get the right job for you, and fast! Another year end is coming. This book is a comprehensive and concise researched documentation of the subject of How To Get The Right Job Fast in South Africa, particularly...
