Xulon Press, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a world where Christian devotionals fill bookstore shelves, this may be one of the first written by a child to be shared with other children. Its pages reflect the young author s love of God and passion to spread Jesus Christ s gospel, from the simple mind of a child, easily understood by boys and girls his own age. p.p1 The author, Robie, is a normal 11 year old boy. He loves baseball, pizza, and reading. Most of all he loves God and believes that daily scripture study feeds his Spirit, just as daily food feeds and maintains the body. He understands that the Word of God readies him to encourage and challenge other children in their relationship with God. This conviction and love for Bible study and sharing the gospel led him to produce and distribute a 30 day devotional pamphlet to all of his school classmates. Robie was so blessed with this that he has published the material from his pamphlet into this devotional book to help many more children grow in their walk with God.
