Outskirts Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It's the process of getting there that sucks. My social circle had shrunk to the point of non-existence. I wasn't hanging out in bars anymore, the men in the grocery stores really were there to buy groceries, and I don't go to church. My dating options were limited, so what's a girl to do? What else? I pulled on my big girl panties (ok, I was already wearing them) and dove into the world of internet dating. The winks and roses started pouring in and pretty soon I was back on the road to the love shack. Well, not exactly, but I did meet some unique individuals. is a collection of mostly true tales describing some of my more interesting dates. The names and some of the details have been changed to protect the not so innocent.
