

Math Girls

By Hiroshi Yuki

Bento Books, Inc. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.5in. x 5.5in. x 0.9in. Math isn't hard. Love is. Currently in its eighteenth printing in Japan, this best-selling novel is available in English at last. Combining mathematical rigor with light romance, Math Girls is a unique introduction to advanced mathematics, delivered through the eyes of three students as they learn to deal with problems seldom found in textbooks. Math Girls has something for everyone, from advanced high school students to math majors and educators. Praise for Math Girls! . . . the type of book that might inspire teens to realize how much interesting mathematics there is in the world not just the material that is forced upon them for some standardized test. Recommended CHOICE: Current Reviews for Academic Libraries Imagine the improbable: high-school students getting together on their own not in a Math Club or Math Circle, not in preparation for any Math Olympiad or regular test, not on the advice of any of their teachers, not as part of any organized program to talk about pure math, math more interesting than the math found in their textbooks. The three students in this book do that for the sheer...
