Ornament of the Italian Renaissance (Paperback)

By Arthur L. Blakeslee

Dover Publications Inc., United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. This glorious gallery of stunning architectural accents from Italy's Middle Ages has been assembled from a rare, early-20th-century publication: - Grotesques from carved panels of choir stalls - Breathtaking tombstone and ceiling ornaments - Sumptuous stone balcony panels . and much more, all reproduced in sixty richly detailed illustrations. Designers and artists of every variety will revel in this modestly priced treasury of authentic Renaissance style.

Reviews

The very best book i actually read through. I have got read through and i am certain that i will likely to read through yet again yet again down the road. I realized this ebook from my dad and i suggested this book to learn.
