Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

Brand New Book ***** Print on Demand *****.We children played with the two rag dolls most of the time until Bessie s family moved away-when I was eight or nine years old. They had faces just alike; the mother who made the first doll probably painted both doll faces. I do not remember just how Raggedy Andy was dressed, but I know he often wore dresses over his boy clothes when Bessie and I decided that he and Raggedy Ann should be sisters for the day. You will remember I told you about Raggedy Andy long ago, John. Isn t it strange that the two old rag dolls should come together after all these years? I wish Raggedy Andy s Mama had signed her name, for I should like to write to her. Perhaps there may be some way of finding her out.
