

The History of MIS-Y: U.S. Strategic Interrogation During the War (Paperback)

By Joint Military Intelligence College

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Behind the combat operations of World War II, Allied and Axis intelligence services were locked in an impassioned effort to generate the critical advantage intelligence could provide. More than fifty years later, historians continue to piece together details on the array of intelligence activities pursued on both sides that supported the policymaker and battlefield commander alike. While the impressive accomplishments achieved by signals intelligence programs such as ULTRA and the daring human intelligence operations conducted by the famed Office of Strategic Services have garnered the lion's share of both publicity and academic research, the role of prisoner-of-war (POW) interrogation has remained largely unexplored territory. As World War II unfolded, the strategic interrogation programs established by the British, German, and American forces evolved into robust collection entities that proved to be a unique source of critical intelligence. Decades after their closure, the spate of academic research into these programs has only recently begun to be addressed. Whereas researchers have made headway in chronicling the British and German programs, relatively little has been written about the U.S. program in operation during the same...

Reviews

It becomes an remarkable publication that we have at any time study. It is among the most remarkable pdf i have go through. I am just easily can get a satisfaction of reading a published book.

-- Alayna Ankunding DVM

Most of these ebook is the best publication available. It is definitely simplistic but unexpected situations within the 50 percent of the book. You will not sense monotony at at any moment of the time (that's what catalogs are for relating to in the event you request me).

-- King Wunsch
