Reviews

Very beneficial to all of type of individuals. This can be for those who statte that there had not been a really worth reading. You will not really feel monotony at at any time of your respective time (that's what catalogs are for concerning should you ask me).
(Michale Shields)

THE RESILIENCE FACTOR: 7 KEYS TO FINDING YOUR INNER STRENGTH AND OVERCOMING LIFE'S HURDLES

Random House USA Inc. Paperback / softback. Book Condition: new. BRAND NEW, The Resilience Factor: 7 Keys to Finding Your Inner Strength and Overcoming Life's Hurdles, Karen Reivich, Andrew Shatte, Resilience is a crucial ingredient-perhaps "the" crucial ingredient-to a happy, healthy life. More than anything else, it's what determines how high we rise above what threatens to wear us down, from battling an illness, to bolstering a marriage, to carrying on after a national crisis. Everyone needs resilience, and now two expert psychologists share seven proven techniques for enhancing our capacity to weather even the cruelest setbacks. The science in "The Resilience Factor" takes an extraordinary leap from the research introduced in the bestselling "Learned Optimism" a decade ago. Just as hundreds of thousands of people were transformed by "flexible optimism," readers of this book will flourish, thanks to their enhanced ability to overcome obstacles of any kind. Karen Reivich and Andrew Shatte are seasoned resilience coaches and, through practical methods and vivid anecdotes, they prove that resilience is not just an ability that we're born with and need to survive, but a skill that anyone can learn and improve in order to thrive. Readers will first complete the Resilience Questionnaire to determine their own innate levels of resilience. Then, the system at the heart of "The Resilience Factor" will teach them to: - Cast off harsh self-criticisms and negative self-images- Navigate through the fallout of any kind of crisis- Cope with grief and anxiety- Overcome obstacles in relationships, parenting, or on the job - Achieve greater physical health- Bolster optimism, take chances, and embrace life In light of the unprecedented challenges we've recently faced, there's never been a greater need to boost our resilience. Without resorting to feel-good pap or quick-fix cliches, "The Resilience Factor" is self-help at its...
