Brand New Book ***** Print on Demand *****.The Comprehensive Guide to Screening SAP Basis Candidates Certification Questions, Answers, and Explanations! It s clear that SAP Basis is one of the most challenging areas in SAP. Finding resources can be difficult. SAP Basis Certification Questions, Answers, and Explanations guides you through your learning process. From helping you to assess your Basis skills to evaluating candidates for a job, SAP Basis Certification Questions will put you on the path to understanding what you really need to know. The book is organized around three areas of SAP Basis - Technical installation, Troubleshooting, and Production Support. Each question includes everything you need to know to master the interview or properly evaluate a candidate. More than just a rehash of SAP documentation and sales presentations, each question is based on project knowledge and experience gained on successful high-profile SAP implementations. Key interview topics include: . The most important Basis settings to know . Basis Administration tables and transaction code quick references . Certification Examination Questions . Oracle database, UNIX, and MS Windows Technical Information . User Management, Transport System, Patches, and Upgrades . Backup and Restore, Archiving, Disaster Recover, and Security . Everything a Basis resource needs to know before an interview.
