

Your Individual Trading Plan! How to Day Trade with Consistent Success: Trading Approaches, Trade Management, Risk Control

By Tamash Trader, Elke Keilhofer-Schmidt

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.How about always knowing at once, whether you should go respectively may go for long or short options? Welcome to my world of trading. Very few traders follow a trading plan that is written down. Because of course that is boring and bulky and because then you would have to stick to it and this inhibits you considerably - how can you then react more flexibly to opportunities when they arise .Bullshit! A trading plan! Believe it! That is the key! Or you will get bogged down in the universe of unlimited possibilities. With putting down a clearly defined plan you change sides. And yes - you then will indeed miss a lot of great chances and probably the very, very large moves. But calm will be restored. And continuity. Reproducibility. A little more security. Satisfaction. Time for yourself.What will you get from me? Im going to present you my own trading plan along with comments, something I would have cherished to find and read for guidance on the web. Just at the right time...
