Libri Aparte, 2015. Book Condition: new. Traduzione di Bolton C. Testo Italiano e Inglese. Bergamo, 2015; br., pp. 48, ill. b/n col. (Libri Aparte. 21). Dedicato alla nuova scultura-video di Yuri Ancarani, artista che in anni recenti ha raccolto un crescente consenso in Italia e all'estero, il libro racconta un progetto in progress - avviato nel 2011 - durante il quale l'artista si è confrontato con il paesaggio carsico della Val Rosandra agitato dalla bora, un vento che soffia a 140 chilometri orari scuotendo e modellando la natura rigida ed essenziale che Ancarani ha ripreso. I testi accompagnano alla scoperta di un'opera anomala che - come suggerisce Angela Tecce - induce chi l'osserva a oscillare dall'impressione che sia sottilmente criptica a quella opposta, che sia invece limpidamente letterale. Volume realizzato in occasione della 3ª edizione di Museo Chiama Artista, iniziativa della Direzione generale arte e architettura contemporanee e periferie urbane del MiBACT - Ministero dei beni e delle attività culturali e del turismo con AMACI - Associazione dei Musei d'Arte Contemporanea Italiani dove ogni anno viene prodotta una nuova opera che cirolerà nei musei associati AMACI, costituendo le basi per la creazione e fruizione di un patrimonio comune.
