Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Please Note: This is a Basic Guide to Investing in the Stock Market - For Beginners - about 56 Pages . The primary reason so many parents don't do anything about setting up their children's financial future is simply because they don't know where to start. Our schooling system doesn't focus on teaching students how to create wealth. By the time you finish this book, you'll also see there are other things you can do to increase your child's investment portfolio with very little extra effort from you.
