Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

THE RELUCTANT PILGRIM (PAPERBACK)

Lulu.com, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Penny had resisted the idea of visiting the Holy Land, worried about what she might find there. She finally gave in and joined her husband on a Riviera Travel tour which showed her some of the best and worst of the troubled land she has been reading about in the Bible since she became a Christian forty something years ago. It was a decision she hasn't regretted and is glad to have had just a glimpse of what makes the people of Israel and Palestine who they are and why a peaceful solution seems so hard to find.
