It s no secret that because stewardship is often viewed as little more than a euphemism for discussing money and budget matters, it s an uncomfortable topic for many in the ministry. But Allan Weenink makes no apology for his zealous approach to stewardship -- he believes that the spiritual dimension is just as important as the financial, and that cultivating the grace of generosity is vital for Christian ministry. Drawn from countless workshops and seminars conducted during Weenink s years as a stewardship consultant, this book provides a wealth of proven hands-on material that will help you develop an effective stewardship model. It s a practical ministry resource that will yield bountiful dividends!
