Brand New Book ***** Print on Demand *****.Excerpt from Reports of the President and Chief Engineer on the Surveys for the Extension of the Western N. C. Rail Road: President s Reports Also to make a survey from the point to which the survey had already been made, near Asheville, down the French Broad River, through Madison County, to the line of the State of Tennessee, at or near Paint Rock. The result of these surveys is now laid before you, in the Report of your Chief Engineer, which dispels all the fears heretofore entertained as to the practicability of constructing a Railroad from Asheville to Ducktown, and discloses the gratifying fact, that the cost will fall far short of what was formerly supposed. Our friends in the Western counties, are now looking with renewed hope to the realization of those Rail Road facilities so liberally extended to other sections of our State, to develop and bring into market the great mineral wealth of that region. The advantage in distance from the Atlantic coast, say Norfolk, to Memphis via Chattanooga by this line, you will see fully set forth in the Report of your Chief Engineer. The completion of this link, thus opening a Railroad communication with the great South-West, would invite an amount of travel over this and the contiguous roads, that would, in the end, not only prove profitable to the road, but relieve the State from the burdens imposed for their construction. The line down the French Broad to Paint Rock, in point of cost, will compare favorably with any line of the same length in the mountainous regions of our State, and its construction would probably form a connection with...
