

Sexuality and Fertility After Cancer (Hardback)

By Leslie R Schover

Wiley, 1997. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the United States today, there are 8 million cancer survivors, including the 5 million who are alive for over five years since their diagnosis. With the help of the American Cancer Society, this leading sex therapist and staff member of the prestigious Cleveland Clinic has written an accurate, up-to-date and empowering reference for these survivors on staying sexually active and having children after cancer treatment. Examines the emotional and physical impact of breast, prostate and other cancers, plus sections on dating and sexual orientation.
