THE COMPANION.

To get **The companion**. PDF, make sure you refer to the hyperlink listed below and download the document or have access to additional information which are in conjunction with THE COMPANION. ebook.

Everest Yayinlari, Istanbul, 2015. Soft cover. Condition: New. Paperback. Pbo. Cr. 8vo. (20 x 14 cm). English Edition of Magden's 'Refakatçi'. 192 p. The Companion is an anti-bildungsroman, a novel about the disability or refusal to grow. Disability to grow has a history of course: Pale, brittle and vulnerable children - children are as light as feathers, children weigh next to nothing when adults try to pick them up to hold them, children get smaller and smaller through the novel. This is the history of how such children alternately rebel against and are crushed by the adult world. There are dwarves accompanying them, these dwarves follow them like their shadows as if these transparent children cast no shadows of their own.
