THE PRESCRIPTION DRUG GUIDE FOR NURSES

Open University Press. Paperback. Condition: New. 192 pages. This book was written by a senior lecturer in health science with a great deal of input from nurses. It highlights the burden of treatment and is a resource for non-medical prescribers in identifying adverse drug reactions and for recognising definitions and classifications. . . . The sections on potential problems and suggestions for prevention and management were particularly enlightening. The book provides ideas for better patient consultations through discussions about medications...
