CASCADE BOOKS, 2015. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Radical Disciple invites the followers of Christ to take seriously the scriptural mandate to love God and neighbor. The cost of contemporary discipleship is just as high now as it was in the early days of the Christian church. But the sharp edge of the gospel mandate has been watered down. The hard passages of the Bible have been ignored by a church that has become too comfortable with the economic and political status quo. But when a disciple sidesteps the call of God to radically embrace the poor of the world, then that disciple also sidesteps the comfort and the inheritance that God holds for God's faithful people. We Christians represent a radical alternative to the greed, complacency, and violence of our age. The promise for us is the promise of community and celebration, joy and peace. But we must follow the way of the cross, which is just as relevant and compelling for us as it was for Jesus two thousand years ago. So we have set before us in these pages a prescription for the servanthood that is required of us. By assuming the yoke of a servant, we claim joy and purpose for our lives. Read this book and gain insight into the meaning of these words for Christians and the church today. I strongly recommend The Radical Disciple to every person who senses how terribly addicted to greed and violence our society and the rest of the world is becoming, and yet refuses to give up hope! This book is especially important to all who recognize that Jesus confronted just such a world and that he taught and demonstrated exactly how we should respond to it...
