

## Baloch Nationalism and the Geopolitics of Energy Resources: the Changing Context of Separatism in Pakistan (Paperback)

Filesize: 4.4 MB

### **Reviews**

*This publication is very gripping and interesting. We have go through and so i am confident that i am going to planning to read through yet again again in the foreseeable future. You are going to like how the blogger write this ebook.*  
(Dr. Thaddeus Turner PhD)

## BALUCH NATIONALISM AND THE GEOPOLITICS OF ENERGY RESOURCES: THE CHANGING CONTEXT OF SEPARATISM IN PAKISTAN (PAPERBACK)

Lulu.com, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Today the quest for energy security stands at or near the top of most nations foreign policy agendas. For energy-dependent countries lacking sufficient energy resources of their own, achieving energy security is a formidable problem. Pakistan, currently the world's sixth most heavily populated nation, is one such country. To ensure its energy future, its government is active on several fronts, including efforts to more fully exploit the country's own energy resources, to negotiate the construction of transstate natural gas pipelines, and to build a new coastal seaport at Gwadar, an ambitious project which its developers hope will enable Pakistan to occupy an important place in the emerging Asian energy refining and distribution system. As Dr. Robert G. Wirsing makes clear in his monograph, Baluch Nationalism and the Geopolitics of Energy Resources, Pakistan's quest for energy security has run up against a resurgent tribal separatist rebellion in its sprawling southwestern province of Balochistan.
