## Forged a Guide to Becoming a Blacksmith

By Liam Hoffman

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 162 pages. Dimensions: 8.0in. x 5.2in. x 0.4in. Blacksmithing, The king of trades, is arguably the most enduring craft known to man, a craft virtually synonymous with humankind's progress since the Bronze Age. This book breaks down blacksmithing's fascinating, if somewhat daunting, skill set into attainable fundamentals that show you how to become an accomplished smith. My goal is not to teach you how to make a hook or a knife. Rather, I focus on the core aim of becoming a successful blacksmith or weekend hobbyist. What results is a collection of paramount blacksmithing practices and lessons, distilling what I and others have learned over many years. In this book, I aim both to motivate you, and to educate you concerning the nuances of starting a shop and becoming a blacksmith (without breaking the bank). You will learn how much space is needed for a shop, and what you can expect that amount of space to do for you in terms of quantity and quality of output. You will also learn which tools are essential, and which are a luxury, as well as how much these tools cost,...
