Createspace Independent Publishing Platform, 2000. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Alaska has some of the most distinct and varied wildlife species anywhere in the world. It is a place that grows large mammals. They call Alaska, The Last Frontier and it holds are attention and creates within us an imagination of what it would be like to see some of these animals in the outdoors. This outdoor activity coloring book is for grade school students and any children and/or youth interested in learning the basics about mammal footprints and animal tracking. Most animals are nocturnal, which means they only come out at night. But, when the sun comes up we can see the gifts that all these wild animals left for us--tracks! These tracks tell a story of what happened while you were sleeping. So, take this book and learn how to see wildlife tracks and to read the stories left by the animals for you to follow.
