SKILFUL SUSY: A BOOK FOR FAIRS AND BAZARS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Skilful Susy: A Book for Fairs and Bazars This little book is intended to lighten somewhat the labors of women in their administration of fairs and bazaars - eu important branch of the public service that has fallen almost entirely into their hands. An endeavor is made to admit nothing impracticable for women living remote from the large centres, and at the same time to guide them in the use of the things which are about them. As the question of expense is always important, the prices of materials have been given but it must be understood that various causes make these variable, and that, though exact for the moment, they should be considered as approximate.
