Samson divinely received mighty power to assist the Israelites, but at the same time, he grappled with huge deficiencies and vulnerabilities. An irritating challenge that constantly tested him severely was the allure that Philistine women had upon him; they appealed and delighted him. Carnal appetite motivated him, got him into trouble, and exacerbated his sexual needs. His human nature with all of its complexities and frailties got in the way and distracted him from his commission. It seems that the mighty power that he exercised increased his testosterone, which created problems; his sexual needs drove him crazy.
