John Blake Publishing Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. The astonishing true story of Beverli Rhodes, child victim of a sick, high-profile paedophilia ring and, years later, of the London Tube Bombings, who rebuilt her life with the help of one very special animal - the horse. Horses saved Beverli Rhodes mind, and life. As a child, her world consisted of sexually abusive men, and her beautiful saviour horses. She survived to make a life for herself - only to suffer a second, devastating blow when she was caught up in the London Underground bombings of 7 July 2005, in which she was seriously injured. With the British healthcare system failing her, she sought other avenues to cop with severe post-traumatic stress disorder, her recovery directly resulting from contact with horses. She is now able to live a peaceful life, and continues to maintain her strong connection with the animals that helped save her. Moving and at times horrific, The Horse Girl is an extraordinary story of hate redeemed by love, as well as a testament to the triumph of the human spirit over the most terrible adversity.
