

The Science Files: Questions and Answers from A-Z (Paperback)

By Richard Zurawski

Fernwood Publishing Co Ltd, Canada, 2013. Paperback. Condition: New. New.. Language: English . Brand New Book. Conventional wisdom has it that science is boring. The Science Files, an hourly radio call-in talk show about science, is anything but boring, and certainly none of the listeners, emailers or tweeters who participate in the call-in radio talk show think science is boring either. Richard Zurawski has been hosting The Science Files for eight years and has fielded literally thousands of questions. This book, The Science Files, is about the questions that listeners have been asking about science and the way the world, nature and the universe works. Compiled by Zurawski, the questions and answers in this book are lively, engaging and interesting discussions about a wide range of topics. Present throughout is Zurawski's passion for learning and his genuine fascination with the natural world. Furthermore, The Science Files is a dialogue that encourages readers and participants alike to continue to learn and to ask questions.
