Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Johan August Strindberg; 22 January 1849 - 14 May 1912) was a Swedish playwright, novelist, poet, essayist and painter. A prolific writer who often drew directly on his personal experience, Strindberg's career spanned four decades, during which time he wrote over 60 plays and more than 30 works of fiction, autobiography, history, cultural analysis, and politics. A bold experimenter and iconoclast throughout, he explored a wide range of dramatic methods and purposes, from naturalistic tragedy, monodrama, and history plays, to his anticipations of expressionist and surrealist dramatic techniques. From his earliest work, Strindberg developed innovative forms of dramatic action, language, and visual composition. He is considered the father of modern Swedish literature and his *The Red Room* (1879) has frequently been described as the first modern Swedish novel. In Sweden Strindberg is known as an essayist, painter, poet, and especially as a novelist and playwright, but in other countries he is known mostly as a playwright. **FAIR HAVEN AND FOUL STRAND AUGUST STRINDBERG** A collection of three stories, all dealing with marital incompatibility, a doctor drawing on the experiences of his long life for examples to illustrate the pessimistic philosophy. A product of Strindberg's late years, when he had already slipped into a deep mental depression, this book is a poignant exposition of his feelings of misogyny.
