How to Succeed in the Digital Age

By Rupert Stadler

Frankfurter Allgemeine Buch Nov 2014, 2014. Taschenbuch. Book Condition: Neu. 233x149x22 mm. This item is printed on demand - Print on Demand Neuware - It's starting to look as if the whirlwind of the Internet revolution might be petering out to a gentle breeze. The customer's new position of power is now a well-established fact. For the business world, Facebook and Twitter accounts, coupled with an attractive website, now rank high on most checklists for corporate success. But is that really enough In a world where even the smallest air current can build into a powerful storm, it can obviously prove to be a mistake not to keep a constant watch on the ever-changing digitalization trend - the trend that is generating new data and networking ever more physical products all the time. How fast can an online post by a single disgruntled customer call forth hordes of angry users that can do lasting damage to a company's reputation Could data be the key to business success in the future Success in the Digital Age is the first-ever collection of success stories and reports of real-world experiences by 17 CEOs and leading executives from a diverse range of industries as...
