STRAIGHT FLUSH (PAPERBACK)

Cornerstone, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Straight Flush is the true story of a group of University of Montana frat brothers who turned a weekly poker game in the basement of a local bar into one of the largest online poker companies in the world. At its height, the group s online empire was bringing in revenues of over a million dollars a day. The industry they launched grew so huge so fast, and in such a grey area of US and international law, at first it was never really clear whether their actions were legal or criminal. From setting up their operations in Costa Rica, to their efforts at building a veil of legitimacy in Vancouver; from embracing a hedonistic lifestyle of girls, drugs and money to becoming some of the richest people in the world; from engaging in operations against their competitors that sometimes escalated into near all-out wars to the legal battles that finally resulted in one of them heading to prison and another living life on the run - Straight Flush is an exclusive look behind the headlines of one of the biggest stories of the past decade.
