

Lion, Gnat (Paperback)

Filesize: 6.08 MB

Reviews

This created ebook is wonderful. I could possibly comprehend everything out of this created e book. Its been designed in an remarkably easy way and is particularly just after i finished reading through this ebook by which basically modified me, affect the way i believe.

(Verner Langworth III)

LION, GNAT (PAPERBACK)

Spuyten Duyvil, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. With gentle humor and passionate meditation, *Lion, Gnat*, Lee Slonimsky's latest poetry collection, soars above the clamor of modern life and steel against indifference. These poems argue vigorously that not only is nature man's origin, but also his destiny. Like the winter oak, nature sheds light on life's enduring lessons and shows the path forward. Luminous, deeply felt, *Lion, Gnat* once again establishes Slonimsky's singular voice in contemporary poetry. Pui Ying Wong, author of *An Emigrant's Winter* Lee Slonimsky has long been master of the sonnet, as both nature poem and persona poem, often in the voice of the ancient Greek philosopher Pythagoras, in love with the pure order of the cosmos. In *Geometry in Paradise*, Slonimsky finds math's everywhere, and in the title poem, *Lion, Gnat*, he observes the lust of molecules to rearrange / themselves quite differently: as lion, gnat. In this collection, he extends his range, exploring other forms such as triolet, haiku, and free verse, while turning his piercing intelligence inward on the conundrum of romantic love. What is love, marital and extra-marital, current and passed? He brings us face to face with this enigma with startling clarity. Finally, this is a book about love, pervading the micro- to the macro-cosm: in *Electrons Love to Dance*, Slonimsky sees how electrons romance / their protons while they whirl. Barbara Ungar, author of *Charlotte Brontë, You Ruined My Life* and *Immortal Medusa* I'm convinced that though he respects the lion, it's the gnat-like things of the world that most often fuel Lee Slonimsky's admiration. And in *Lion, Gnat*, he shows us the riches to be found in ants (each one a...
