

MikeScrabble: A Guide to Training Your New Human (Paperback)

By Mike Dicks

Veloce Publishing Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. There are many wise, practical, and academic books that explore the relationship between pets and their owners; MikeScrabble is not one of them. Instead, this picture book for adults gives an insight into the mind of a dog who has acquired a slightly damaged human, and sets about trying to train him. MikeScrabble s simple illustrations and one-line observations were originally designed by Mike, despite what Scrabble says, as posts for Twitter and Facebook, to joke about becoming a dog owner. The posts gathered a following of loyal fans, mainly dog owners (about 90), mainly women (about 55), and mostly English or American (70). Except for one fan in Vietnam. This is a book that dogs will buy, but as they have trouble using an iPad and don t keep money on them, it may well be attractive to their Human pets.
