Brand New Book ***** Print on Demand *****.While her sister and future brother-in-law prepare for their wedding day, which is set to happen in three months, 24-year-old Laney McIntosh is barely holding her life together by a thread. She's been forced to fake a smile for months for the sake of her family, but she isn't so sure she can do it anymore. There are secrets she has kept and they will threaten to shatter the picture-perfect status they've finally achieved since her sister's return. Through the ever-growing darkness in her mind there is one beacon of light that shines brighter than the rest: Benji, one of her sister's best friends. Benji Palmer is a transgender man and he has his share of demons, but what he feels for Laney has only been growing stronger since the moment he met her. Despite his own struggles he wants nothing more than to make Laney happy and he's determined to heal her heart. A lot of things can happen in 90 days. Good things. Bad things. Crazy things. Beautiful things. Will Laney and Benji finally get the happily-ever-after they've always wanted?.
