

Being - A Study in Metaphysics (Paperback)

Filesize: 1.9 MB

Reviews

This book is fantastic. It really is packed with wisdom and knowledge I am pleased to explain how this is the greatest ebook i actually have go through in my personal daily life and can be he greatest ebook for at any time.
(Mr. Zachariah O'Hara)

BEING - A STUDY IN METAPHYSICS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Since the decline of scholasticism, scholars the world over have been busy with vain endeavors to elaborate a coherent system of philosophy. Men of all but transcendent ability have given their best efforts to the work of moulding their thoughts into a shape which they hoped would be at once lasting and profitable. But invariably the result has been a sad failure. System after system has been formulated only to topple under criticism, much in the same way that playhouses of colored blocks fall before the blows of a vigorous child. And in every instance the weakness of the system has been in the foundation rather than in the superstructure. Thus Hegel, for instance, built up his impossible system on a false notion of Being, and Spinoza erected his on a false idea of substance. For this reason the efforts of those who are presenting to students the pivotal doctrines of scholasticism in simple, easy language, are deserving of all praise and encouragement. Father Rother, the author of the book under review, is among such. His present volume deals in a most simple fashion with the vexed problem of Being. Every aspect of this most metaphysical of metaphysical problems, from the bare notion to the analogy of Being, is treated in a manner that leaves little or nothing to be desired by a student who is taking his initial steps in scholasticism. For despite the inherent difficulty of the matter, the thought is always clear and the language is almost invariably apt. Now and then some of the expressions might be happier; but then, perhaps the exigencies of the topic under discussion render a better choice of words and phrases...
