Temple University Press,U.S., United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. One of the greatest artists our country has is Benny Golson. He is not only a great musician, but an original and fabulous composer. He is inventive and creative and his work is loved the world over. Benny is a rare, creative genius. All I would like to say is THREE CHEERS for Benny Golson! -Tony Bennett Composer supreme, tenor man supreme, jazz man supreme, good guy supreme: that s BENNY GOLSON! -Sonny Rollins Born during the de facto inaugural era of jazz, saxophonist Benny Golson learned his instrument and the vocabulary of jazz alongside John Coltrane while Golson was still in high school in Philadelphia. Quickly establishing himself as an iconic fixture on the jazz landscape, Golson performed with dozens of jazz greats, from Sonny Rollins, Coleman Hawkins, and Jimmy Heath to Dizzy Gillespie, Freddie Hubbard, and many others. An acclaimed composer, Golson also wrote music for Hollywood films and television and composed such memorable jazz standards as Stablemates, Killer Joe, and Whisper Not. An eloquent account of Golson s exceptional life-presented episodically rather than chronologically-Whisper Not includes a dazzling collection of anecdotes, memories, experiences, and photographs that recount the successes, the inevitable failures, and the rewards of a life eternally dedicated to jazz.
